## A new partnership with Toad Hall!

We're serving up some exciting changes at our Waterfront Restaurant! We're delighted to announce that we're partnering with the incredible team from TOAD Hall! Known for their wholefood options, sustainable practices, and soulful hospitality, TOAD Hall are a great match to complement the Kaiteriteri experience.

Our friendly Waterfront team will continue operating as usual until the 31st of August, with the TOAD Hall crew joining us to take over operations and management beginning mid-September 2025. We will keep you updated on this exciting new

venture in the months ahead. So, make sure to pop on by, enjoy the seaside view and join us in celebrating this exciting new journey here at Kaiteriteri!

## September School Holidays!

The next school holidays are just around the corner, with plenty of campsites and a few cabins still available to book. Not only will the campground be humming with children playing and bbq's sizzling, but we have a few extra treats up our sleeve for families to enjoy, plus, kids camp free!

Our on the Spot Store will be opening it's 'Decoration Station' everyday for kids (and big kids) to decorate their soft-serve icecreams with lollies and sprinkles.

Mini golf will also be swinging into action, and we have prizes to be won! At the end of your mini golf session, hand in your score card to our store, and you could win a gift basket full of goodies, including a UE boom speaker!

All of our en-suite cabins have now been upgraded, including brand new bathrooms and lino flooring. So, now is the perfect time to book, relax and enjoy the serenity!

## HPNZ Conference 2025! 🏕️ 🚌 🌿

Several of our team attended the Holiday Parks New Zealand Conference, held right here in Whakatū, Nelson, as we celebrated 70 years of Holiday Parks in Aotearoa!

To kick off day one, we were proud to welcome and host operators from across the country at our Waterfront Restaurant. Our session included a presentation on how the Kaiteriteri Recreation Reserve operates as a self-funding entity, followed by a tour of our apartments, cabins, and campground. 🏕️

A huge thank you to Holiday Parks New Zealand for organising such a valuable conference, filled with inspiring speakers, engaging breakout sessions, fantastic coffee, and a memorable awards evening. 🙌

## Mountain Bike Park is open!

After last months weather event, our beloved Mountain Bike Park took a bit of a hit. However, we are happy to share that 90% of the Mountain Bike Park is cleared and open, thanks to two diggers and four weeks of hard work by the team and many amazing volunteers!

The KMBP committee are continuing to fix the last 10% of tracks and trails from the rain fall, and are doing a fantastic job to get the park 100% open again for summer!

## Staff celebration quiz night!

We love any excuse to come together as a team and celebrate our wins, and last week was no exception! We hosted a staff celebration quiz night (costumes included, of course!) and enjoyed some well-deserved fun!

We have an incredible crew who work consistently hard to keep this place in the pristine condition you know and love. From our guest services and grounds maintenance teams, to our talented baristas and housekeeping staff, it takes a dedicated and skilled group of people to keep the Reserve humming, and that's worth celebrating!
