

Kaiteriteri Recreation Reserve wins Holiday Park of the Year Award!

Kia ora everyone. We're over the moon to share that Kaiteriteri Recreation Reserve has been named the 2026 Large Holiday Park of the Year by Holiday Parks New Zealand! We were also honoured to be finalists in Community Engagement, and the overall Supreme Award categories.

While winter is our quieter season, our team has been busy behind the scenes. From upgrading our cabins and shaping new trails in the Mountain Bike Park to fertilising the campground for fresh spring growth, there's plenty happening across the Reserve.

Visitors from around the country have been making the most of our seasonal offers, including our Nelson Tasman Locals Deal, where locals can enjoy 10% off campsites and cabins throughout August.

We hope you enjoy catching up on our latest news and award highlights, and we look forward to welcoming you back to Kaiteriteri Recreation Reserve soon.

NZ Holiday Park Awards 2026!

We're incredibly grateful to have been recognised by Holiday Parks New Zealand as the 2026 Large Holiday Park of the Year.

The award was presented during the annual Holiday Parks New Zealand Conference in Hamilton, where members of the Kaiteriteri Recreation Reserve team joined colleagues from across the country to share ideas, learn from industry leaders, and celebrate excellence across the holiday park sector.

The conference is always a fantastic opportunity to visit other holiday parks, attend workshops, connect with industry partners, and learn from shared experiences.

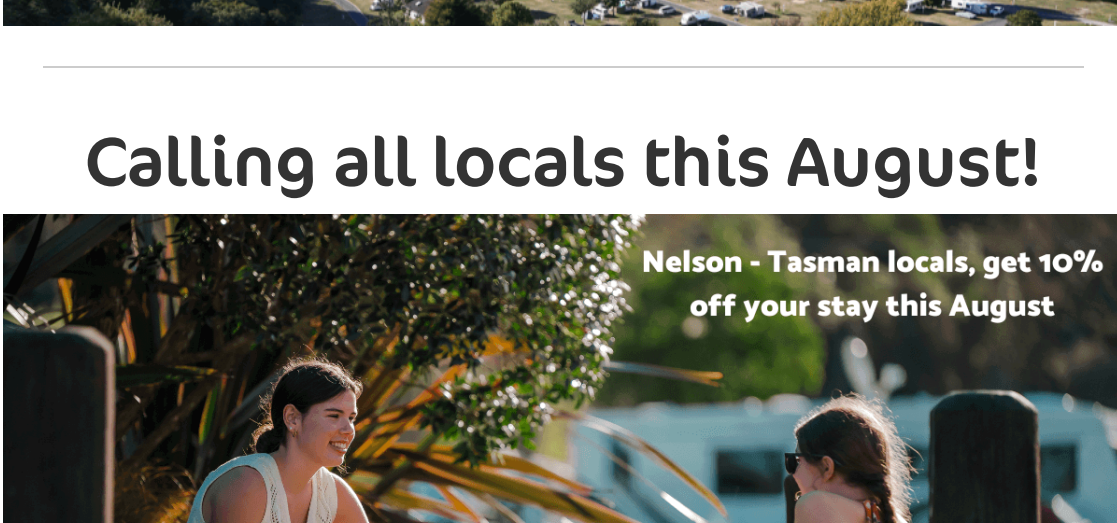

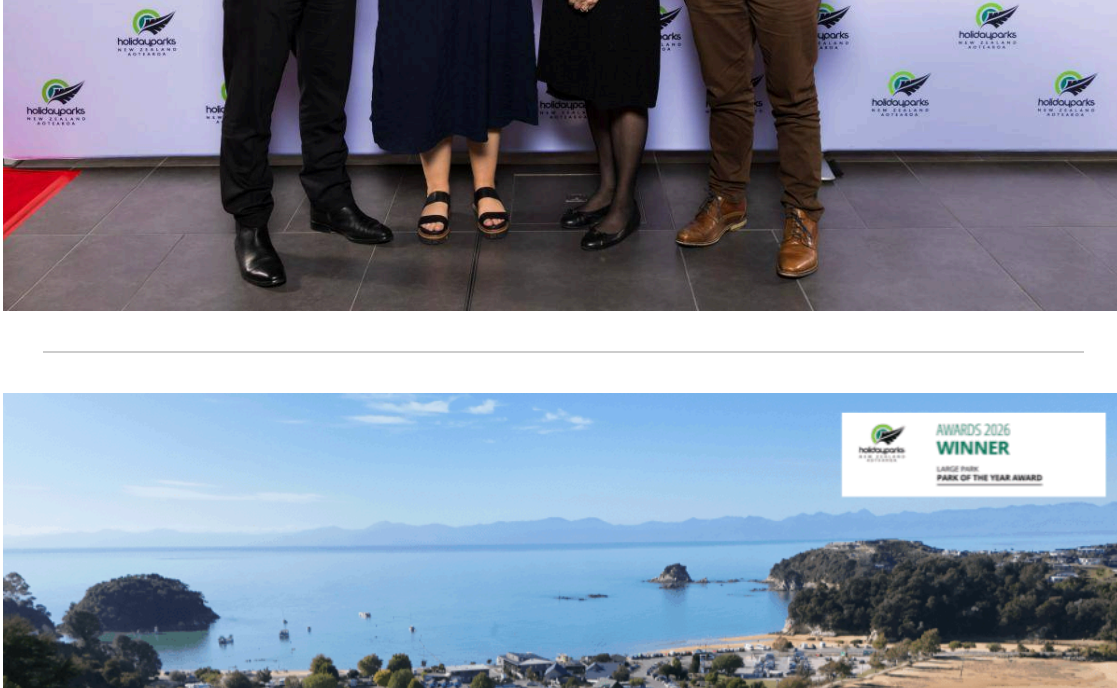

Every year we return inspired with fresh ideas, new connections, and a renewed passion for continually enhancing the Kaiteriteri Recreation Reserve experience for our guests.

The week concluded with the Holiday Parks New Zealand Awards, where we were honoured to receive the 2026 Large Holiday Park of the Year Award. This award recognises excellence in community and cultural connection, visitor experience, environmental stewardship, and responsible park management. It reflects the dedication of our entire team and the values we strive to uphold every day.

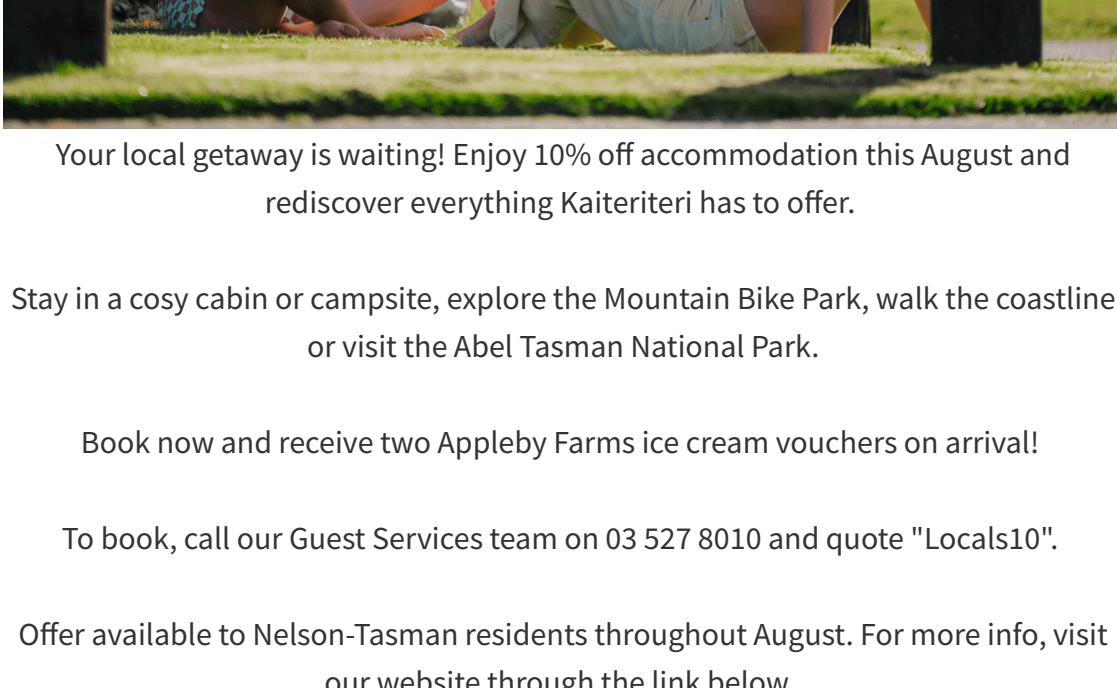

This recognition belongs to our amazing team, whose passion, care, and commitment make Kaiteriteri such a special place to visit. It also belongs to our volunteers, community, partners, and every guest who has chosen to stay with us. Thank you for being part of our journey.

A heartfelt thank you to Holiday Parks New Zealand and the judging panel for this incredible recognition, and congratulations to all of this year's finalists.

Here's to continuing to care for Kaiteriteri, so future generations can enjoy it too.

Winter Swim and Campers' BBQ

Last month, campers and staff came together for one of our favourite winter traditions, the annual Mid-Winter Swim, followed by a delicious BBQ lunch in the campground.

With plenty of laughter, joyful squeals, and homemade burgers fresh off the grill, it was a wonderful afternoon celebrating the strong sense of community that makes Kaiteriteri so special.

From friendly catch-ups over lunch to cheering each other into the chilly water, the camaraderie was a highlight!

A huge thank you to everyone who took the plunge, and to those who cheered from the shore. We loved sharing another memorable winter tradition with you and look forward to doing it all again next year!

Read all about it, Kaiteriteri that is!

We're excited to have featured in last month's Motorhomes, Caravans & Destinations Magazine, with an eight-page spread showcasing everything that makes Kaiteriteri such a special place to stay and explore.

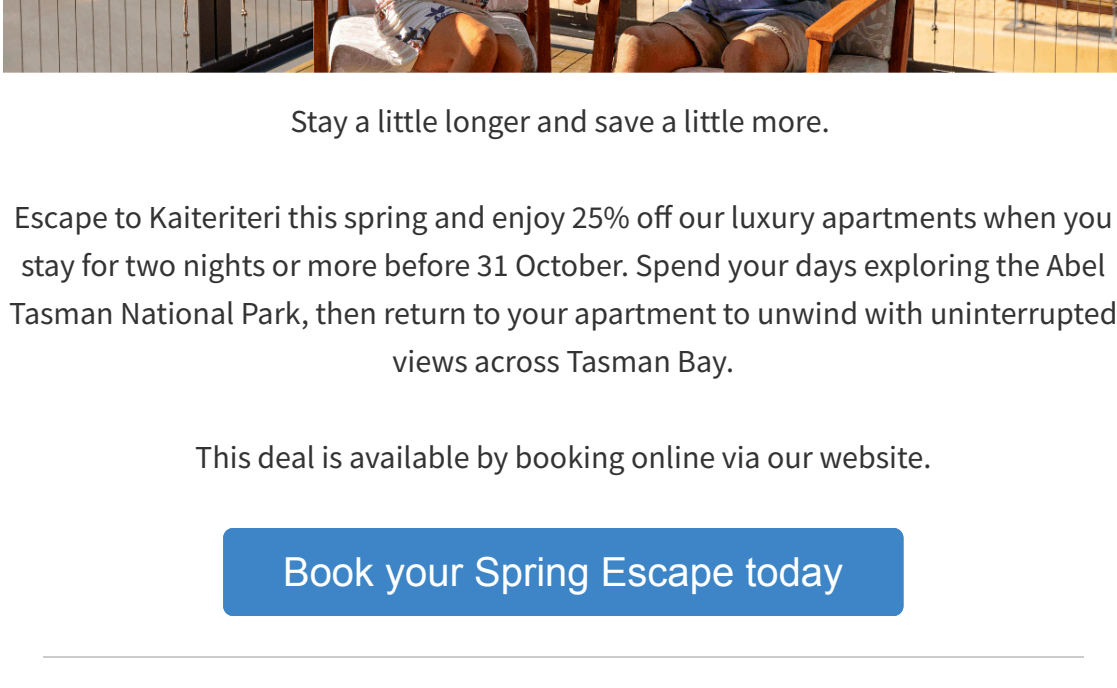

From our beachfront campground and stunning natural environment to the many activities on offer, it's a wonderful look at why so many travellers choose Kaiteriteri as their base for exploring the Abel Tasman National Park.

The feature gives a nod to our classic Kiwi campground experience, saying, "With more than 400 powered campsites to choose from, caravanners, motorhomes and campers are spoilt for choice. Just about everything you could possibly need is in easy walking distance too."

You can read the full feature in the link below, or better yet, come and experience Kaiteriteri Recreation Reserve for yourself!
