Big gear hits the sand!

Did you know that the Kaiteriteri Recreation Reserve provides the funding for the beach to be replenished each year? This includes moving a thousand cubic metres of sand from the southern end, back across the beach so it's looking its best for summer! Here's a snap of the big gear in action, where many little faces were watching it all take place from the sidelines. How good does the golden sand look from this angle!

1 metre camping rule reminder

This is a friendly reminder that the 1 metre rule must be adhered to at all times when camping. This means maintaining a minimum distance of one metre between your tent/camper to the boundary, which is essential to help ensure everyone's safety and to allow clear access in the event of an emergency. This small action can make a significant difference in protecting both yourself and others. Not too sure what this means? You can ask our friendly team on arrival, they're happy to help.

We LOVE summer events!

Throughout January we're putting on free summer events for guests and the community. These include fitness circuits, zumba, sports on the sand, bouncy castles, live music on the Village Green and more. To check out the full schedule, you can [check out our website](#). We would love you to join us at Kaiteriteri!

Boom gate update

We are pleased to share that the boom gate has received incredibly positive feedback again this year, particularly for the enhanced safety it provides. As an additional safety measure, we have now painted a yellow box beneath the boom gate arm. This clearly identifies a no-walking zone while the arm is in the upright position, helping to improve visibility and reduce risk. Your safety remains our priority, and we are continuing to review and consider additional safety features to further improve this area.

Fireworks light up the sky!

On a warm Friday evening, locals, visitors, and the wider community came together to watch the night sky light up with sparks of joy.

For more than ten years, the Wirtschafter family have generously funded and organised a New Year's Eve fireworks display — an incredible gift that so many people look forward to during their summer holiday at Kaiteriteri.

On behalf of the Kaiteriteri Recreation Reserve and the community, we extend our heartfelt thanks to the Wirtschafter family, along with all the organisers and operators working behind the scenes, who brought this special event to life.

Feedback from our guests!

Every year we are fortunate to receive wonderful feedback from our guests, and this year is no exception. We truly appreciate everyone who takes the time to share their experience with us. Here are just a few highlights from recent reviews:
