

## An update from us all at the Kaiteriteri Recreation Reserve!

---

Kia ora everyone, it's been a busy time across the region with the recent rain event, so we wanted to take a moment to check in. We're open, operating as usual, and feel very fortunate to have remained largely unaffected. Unfortunately, we know this hasn't been the case for many in our wider community, and our thoughts are with all those who have been impacted during this challenging time.

Our Waterfront Restaurant crew were all smiles on Friday morning, handing out free coffee and scones to our local community, just the 'pick me up' we all needed!

In this newsletter, you'll find a quick update on our services, a new product in store, and our lowest apartment rate yet, ready for you to snap up. Happy reading!

# A Reserve update!

On Friday evening the second storm hit the region with heavy rain and wind, resulting in water outages and power going out for many households. The campground, store and restaurant were without power for about 16 hours, and we were incredibly grateful to the Emergency Response teams who got us all up and running so quickly the next day!

Our key services are operating as normal. These include; our Waterfront Restaurant, On the Spot store and our apartments, cabins and beloved campground! Our Mountain Bike Park has taken the worst of the hit, and is currently closed as we access the damage and fix the tracks. We will be sharing updates on the Mountain Bike park on our [KMBP website](#) and [Facebook](#) and [Instagram](#) pages.

A big thank you to those who have reached out and asked for an update, it's great to know that you LOVE the beach and the wider reserve as much as we do!

Below are a few snaps after the storm, including our Waterfront Restaurant, entrance to the beach, campground and the water tanker that popped by to visit!

## Winter Over Lunch!

Last month we invited our Winter-Over guests for a get together over a burger in the camp ground. The sun was shining, the deck chairs were set up and the meat patties were sizzling! This is always a great time to bring our winter campers together, spark up some convos and for everyone to meet the team. A big thanks to our chef's and kitchen hands for preparing the delicious food and drinks!

Not sure what Winter-Over is about? Between the dates of 1st May to 31st October, campers can stay at a weekly discounted rate. Some guests stay for a week, some stay for the whole season and enjoy the golden beach views and slower pace. Weekly rates are \$105 per person, or \$154 for 2 people!

Conditions apply. If you're interested to know a bit more, you can call our friendly guest services team on 03 527 8010, they're always happy to help!
