The Reserve in full event mode!

It's been fantastic to see the Kaiteriteri Mountain Bike Park in full race-mode action, hosting another successful year of both the **Karmakaze Enduro** and **Kaiteriteri Gold** events!

Both events are made possible by dedicated volunteers who are passionate about getting people outdoors, active, and enjoying recreation at its finest.

The Kaiteriteri Recreation Reserve is proud to sponsor the **Kaiteriteri Gold**, brought to life by the amazing **Active4Good** crew. It was incredible to see more than 300 runners take on the trails, rain and all!

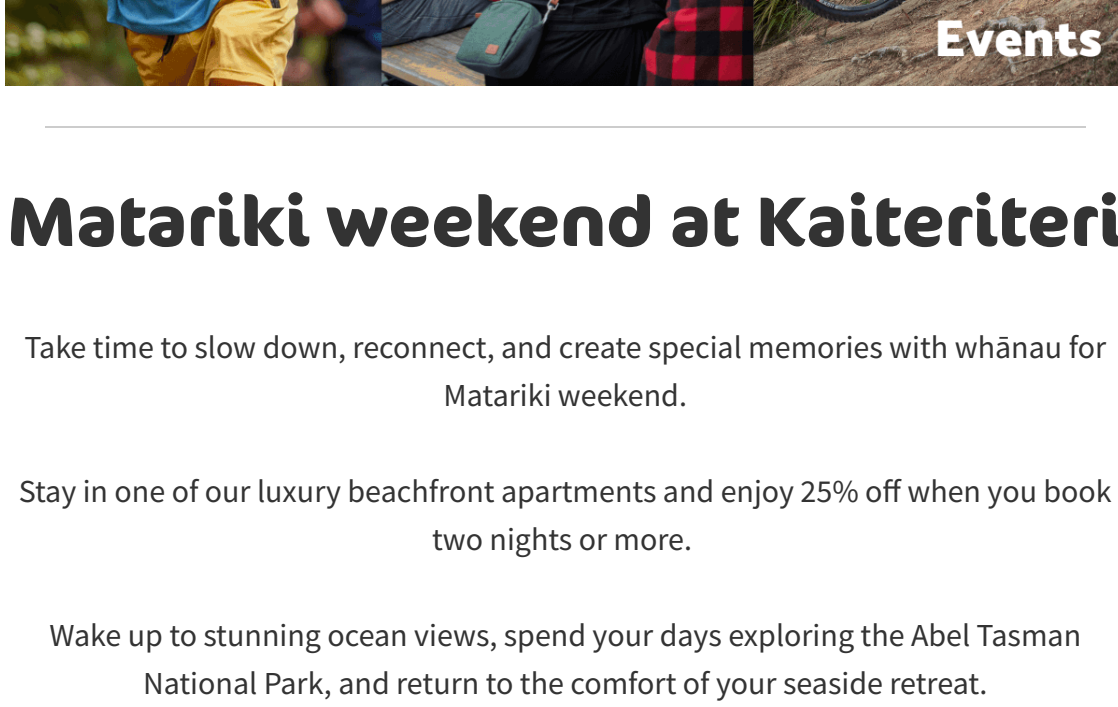

The Kaiteriteri Mountain Bike Park was also proud to host the **Karmakaze Enduro**, which sold out once again. Riders of all ages took part, including many first-time entrants.

One participant shared: *"I would also like to pass on my thanks to all the volunteers on Sunday. I have never done an event like this and I was pretty nervous going into it, but all the marshals and helpers were super supportive and friendly. I loved the cheers and encouragement on the stages from them. I will definitely be recommending the event."*

Whether it's running shoes on the trails or mountain bike tyres on the tracks, we love seeing the action, energy, and families enjoying everything the Reserve has to offer.

A huge thank you to all the volunteers, organisers, participants, and supporters who make these events such a success year after year.
