

## Autumn deals and events!

### Kia ora everyone,

As we move into the cooler days of autumn, Kaiteriteri has been putting on a stunning show—especially with the glowing sunrises we've been enjoying lately. Visitors are still arriving in steady numbers, making the most of the golden sands and heading out on the water to explore the Abel Tasman during the day.

We've got some exciting news to share, as another well-deserved award has been picked up by one of our team! The Reserve has been buzzing with activity, with cars and mountain bikes rolling in for a range of events, and there are more just around the corner for you to get involved in.

Thank you for being a part of our Kaiteriteri community and we look forward to welcoming you back soon to our golden shores at the Top of the South.

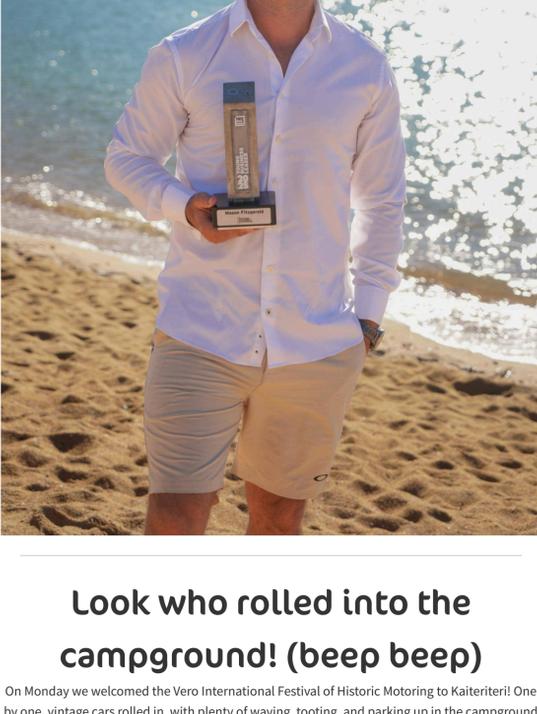

## Winner, Young Leader of the Year!

We're incredibly proud to share that our CEO, Mason Fitzgerald, has been named Kiwibank Young Business Leader of the Year at the 2026 Nelson Tasman Business Awards! The judges awarded two outstanding young leaders in their field this year — and we're thrilled to see Mason acknowledged in this way.

The judges praised Mason for his inclusive, values-led leadership in a highly public-facing role that requires calm under pressure and exceptional stakeholder skill. They noted his ability to lead with substance — building trust, lifting capability, and creating positive momentum for both the organisation and the community we serve. This recognition reflects the passion, dedication, and heart Mason brings to the Kaiteriteri Recreation Reserve every day.

Congratulations Mason, as a team, we're incredibly proud of this achievement!

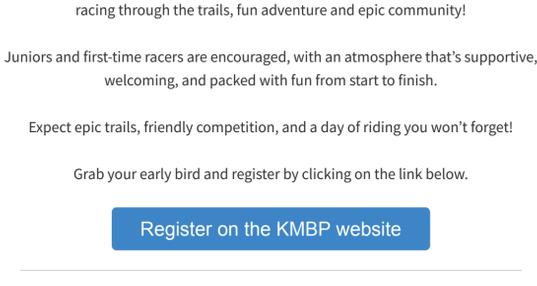

## Look who rolled into the campground! (beep beep)

On Monday we welcomed the Vero International Festival of Historic Motoring to Kaiteriteri! One by one, vintage cars rolled in, with plenty of waving, tooting, and parking up in the campground for a cup of tea and a lunch stop with friends. Thermoses were in good supply too!

The event took place across the Nelson-Tasman region for a whole week of activities. This event only occurs once every four years, so we were spoilt to see them all in their fresh coat of paint!

With more than 500 cars registered for the event, there was plenty to see. Thanks for visiting Kaiteriteri friends!
