

Your Spring get away awaits!

Spring is in full-bloom here at Kaiteriteri, as we now have longer days to enjoy the golden beach, walking tracks, Kākā Point cafe and the Mountain Bike Park!

Last month we welcomed local favourite and award winning restaurant, Toad Hall to Kaiteriteri! They've been in popular demand since the doors have opened, and we're excited for you to see the new decor and delicious food options.

Spring is a gorgeous time of year to visit the golden sand, so if you're thinking of staying, exploring and experiencing all the Reserve has to offer without the crowds, now is a great time to book! Labour weekend is just around the corner, so if you haven't made plans, come and join us at the beach!

Our en-suite cabins have just been re-furbished and if you prefer to stay in one of our luxury apartments, you can get 25% off with our Stay and Save package!

For all the details and spring deals, read on below!

A warm welcome to Toad Hall!

Toad Hall have now opened their doors at the Waterfront Restaurant, and their menu will have you mouth-watering in no time. We're talking Avo smash, Asian Pork Beef Burgers and there's healthy cabinet food for you to grab on the go too!

Gone Burgers will also be operating in the summer by Toad Hall, so they'll be lots for you to choose from at Kaiteriteri! From all of us here at the Kaiteriteri Recreation Reserve, 'Welcome to the team Toad Hall!'

That's a wrap on Winter!

We want to give a special shoutout to our Winter-Over guests who will be departing at the end of October. Each year, we have a bunch of loyal visitors who stay with us between the months of May to October at a discounted rate.

They are always so friendly, welcoming and really bring the campground to life! One of our winter highlights is seeing the life-long friendships made when cooking a meal in the shared kitchens or over a coffee while sitting at the beach.

Thank you for making Kaiteriteri your seasonal home, we look forward to welcoming you all back next year!

Calling all Mountain Bikers!

The Kaiteriteri Mountain Bike Park Committee have done a fantastic job to get the park 100% open again, and the trails are waiting for you! Did you know that there are trails for all levels of riders and ages here at Kaiteriteri? Just checkout the map when you arrive and find the best route for you. The trails are graded from 1-5, which scale from beginner to expert.

So grab your bike, fill up your waterbottle and we'll see you on the trails!

Help us with our Xmas campaign!

This year, we're proud to be partnering with [Nelson Airport](#) to support the [Nelson Tasman Hospice](#) as we decorate and light up the airport terminal with Christmas trees!

The Kaiteriteri Recreation Reserve has sponsored an 8-foot Christmas tree — and we need your ideas to bring a true “Christmas at Kaiteriteri” theme to life!

Memories may include; your caravan looking out over the beach, meeting mates for the annual campground cricket match, building a sandcastle taller than your siblings, or paddle boarding through the estuary with family!

Share your favourite Christmas memory or decoration idea on our Facebook post — and we might add it to our tree to capture the magic of Kaiteriteri at Christmas!
