Kaiteriteri
Recreation Reserve

Life is better at the beach

Welcome to Waterfront restaurant, nestled in the heart of the Kaiteriteri Recreation Reserve.

The Kaiteriteri Recreation Reserve consists of 250 hectares of Crown land - and includes Kaiteriteri beach, Kaka Point, Historic Reserve, Kaka Island, Kaiteriteri Estuary, the Kaiteriteri Mountain Bike Park and the hills and native bush surrounding us.

As part of the Reserve Board's activities we own and manage a range of services for visitors to enjoy - including the campsite, store, apartments, mountain bike park, Gone Burgers and the Waterfront restaurant.

Although we are a Crown entity we are not government-funded. We invest all of the profit from the services we provide back into the management and protection of the Reserve.

Thank you for visiting us today, your support enables us to look after this special place for future generations to enjoy.
