World-class adventure in action!

**From muddy trails to blue-sky adventures, it's been ready, set, GO
at Kaiteriteri Recreation Reserve!**

Over the past month, our Mountain Bike Park has come alive with buzzing bike tyres, fluttering flags, and happy feet racing across our iconic trails.

These events included the *Karmakaze Enduro*, *Crazy Kea Gravel Duro*, and the *Kaiteri Gold* off-road trail run — each event filled with incredible energy, community spirit, and plenty of smiles. It was a joy to see so many individuals and families taking part, with their biggest fans cheering them on from the sidelines.

A huge thank you and well done to the event organisers and dedicated volunteers who make these events possible — and a big congratulations to everyone who gave it a go!

Thumbs up to the boom gates!

Our new boom gates have been a fantastic addition to the Reserve, providing an extra level of security and helping to manage traffic flow more efficiently. Guest feedback has been overwhelmingly positive, with many appreciating the ease of use. Despite being in place for a few weeks before peak season, they ran incredibly smoothly and handled the busy period with no issues. A great step forward for both safety and guest experience!
