

Autumn is in the air!

As colourful leaves fall across the campground, visitors have been making the most of the fresh autumn days, relaxing outside our On the Spot store with freshly brewed coffee and a tasty pastry in hand. Meanwhile, our facilities team has been hard at work fertilising and seeding the grounds, preparing for a fresh burst of new grass. As we prepare for the season ahead, we have some important dates and events coming up that you'll want to mark on your calendar!

Campsite summer bookings open soon!

We're happy to share that our campsite summer bookings open on **Tuesday, 6th May at 10am**. Bookings can only be made via our website, so please do not call to book.

Our apartments and cabins are now open for summer bookings, and you can check availability [via our website online](#).

We look forward to hosting you at our favourite holiday hot spot!

Summer campsites open!
Tuesday 6th May 10am

Are you ready for adventure?

Ride your way through our famous Kaiteriteri Mountain Bike Park by entering in the **Karmakaze Enduro race** on Sunday 18th May. This race is challenging with rocks, drops and jumps, but the focus is on FUN! It's a great event to give Enduro racing a crack for the first time (Junior Enduro) or for the seasoned Enduro riders. Spectators are welcome to join and watch too!

The Crazy Kea Gravel Duro is on the same weekend, and combines the fun of a group ride with the excitement of gravel racing. The course starts in Kaiteriteri and takes you on a 95km journey around the Tasman countryside, including some of the best gravel roads and singletrack, before finishing back at Kaiteriteri. Followed by dinner, drinks and live music to enjoy.

If you like to exercise out in nature, we also have the **Kaiteri Gold** off road trail run happening on the **1st of June**. A fun family event for all ages, with all proceeds going towards funding active recreation activities in Nelson Tasman! They'll be prizes on the day, so make sure to register!

For more information, check out our Kaiteriteri events page below.
